

**WILLISTOWN TOWNSHIP
CHESTER COUNTY, PENNSYLVANIA
RESOLUTION NO. 13 OF 2019**

RESOLUTION IN SUPPORT OF PIPELINE SAFETY

WHEREAS the health, safety and welfare of the residents of Willistown Township are of the utmost concern and responsibility of The Board of Supervisors; and

WHEREAS it is evident to Board that a large release of Highly Volatile Liquids (HVL) in the area of Willistown Township, Chester County could result in mass casualties and mass destruction of property; and

WHEREAS Sunoco has reported repeated hazardous liquids pipeline accidents, including the most recent "subsidence" that occurred in Middletown Township, Delaware County on April 24, 2019; and

WHEREAS, Sunoco's lack of adequate emergency planning and public awareness directly affects the ability of Willistown Township and Chester County to devise and implement emergency evacuation plans. Willistown Township and Chester County will be irreparably harmed if Sunoco does not ensure the safety and reasonableness of facilities located in the area of Willistown Township and within Chester County.

NOW THEREFORE BE IT RESOLVED by the Board of Supervisors of the Township of Willistown, Chester County, Pennsylvania as follows:

Joins and supports the bipartisan calls from fourteen (14) Members of the General Assembly representing Delaware and Chester Counties, who on March 11, 2019, wrote to Governor Tom Wolf, "We respectfully reach out to you today to urge you to take action to preserve the health, welfare and safety of our constituents who live, work and raise their families in the high consequence areas of Chester and Delaware Counties within the potential impact radius of the Mariner East pipeline project."

BE IT FURTHER RESOLVED that the Board of Supervisors of the Township of Willistown, Chester County, Pennsylvania, hereby calls on Governor Wolf to institute an immediate moratorium on the operation (other than ordinary and normal maintenance and upkeep) and transmission of all Sunoco current and proposed HVL pipelines in Delaware and Chester Counties, continuing until there is a credible and practicable public response program and emergency response plan that accounts for the unique hazards of these HVL's and the density and immobility of vulnerable populations within the impact radius.

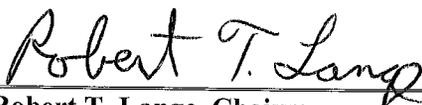

This Resolution shall be effective immediately.

DULY ADOPTED this 7th day of October 2019, by the Board of Supervisors of the Township of Willistown, Chester County, Pennsylvania, in lawful session duly assembled.

ATTEST

Sally Slook, Secretary

**BOARD OF SUPERVISORS
WILLISTOWN TOWNSHIP**

Robert T. Lange, Chairman

William R. Shoemaker, Vice Chairman

Barbara L. Handelin, Supervisor
