

Recycling Committee Meeting Minutes

April 8, 2014

Attendees: Mark Bem, Ken Lehr & Jim Tate

I. Drug Take Back Program

JT provided an update on this program. Two Willistown police will manage the site. Boxes and plastic bags have been purchased. Signs will be placed at the 688 Sugartown curbside directing participants to drive in, drop off, drive away. We reviewed copy for the township's mailer and made some revisions, which will be forwarded to D. Burman. (Nothing earthshaking!)

II. Annual Multi-item Recycling Event – April 12th

We finalized copy for a handout to all residents who participate in the drop-off event. This will contain information about the upcoming Drug Take Back program on April 26th, wood chipping on May 17th and document shredding on June 7th. An overrun of the Drug Take Back mailer will be distributed also.

Old Business

I. Web site – Posting a list of recyclables

Mark Bem has roughed out a format. Ongoing.

II. HOA presentation, AJB meeting, carton recycling and ceiling tile recycling are ongoing.

Jim Tate

Chairman

Willistown Recycling Committee
