Minutes: The Minutes of the meeting of December 11, 2019 were approved as submitted.

Land Development:

Troutbeck Farm, Preliminary, Monument Road, Forest Lane

Lou Colegreco, Esq., T.R. Moser, Michal Hartman, and Ted Moser appeared concerning the question of whether the sewage from the development will be directed to the East Goshen Township Sewage Plant or to the Valley Forge Treatment Plant. If the sewage is directed to the Valley Forge Plant, it would allow the Township to eventually provide sewage to the Northwest quadrant of the Township. However, since the Planning Commission is not equipped to answer sewage questions, the Township staff and the Mosers will meet and decide on a plan that can be presented to the next meeting of the Planning Commission.

Respectfully Submitted,
Rita E. Reves, Acting Secretary
