

Willistown Township COVID-19 Update

In accordance with the directive from Governor Wolf and the Chester County Commissioners to promote social distancing, the Board of Supervisors has made the decision to close the Township Building and all 3 Township Parks (Rita Reves, Greentree, and Mill). The preserves (Serpentine, Sugartown, and Okehocking) and Duffryn and Fox Hollow Trails are open. All facilities will remain closed until Thursday, April 30th.

Non-essential services will be suspended until April 30th. All Essential services such as Police coverage and Sewer Maintenance services will continue to operate.

We will be responding to emails during this time and will check messages left on the Township main phone line (610-647-5300). Staff email addresses can be found on our website at www.willistown.pa.us If you have building plans, forms or checks to drop off, there are dropboxes located in the front and back of the Township Building.

At this time, the Board of Supervisors regular meeting is cancelled for April 13th. The April 27th meeting will be held under the Pavilion at Rita Reves Park at 7pm. Any changes to the meeting schedule will be communicated promptly.

If you have an emergency, dial 911. The non-emergency line of the Police Department is 610-647-1440. Please be patient for return calls on the non-emergency line.

Willistown Township and all our affiliated Township pages will continue to share information on COVID-19. We strive to keep our residents and employees informed with the latest information. Please be sure to follow Willistown Township's social media pages listed below:
